Dear Sir:

We received your questionnaire regarding the Coakley Landfill and thought after talking to you on the phone that we could best respond in a letter.

The only type of waste to be dumped at the Coakley site by Four Seasons Landscaping Co. was brush. We got temporary permits from the City of Portsmouth when we dumped there. I have no record of permit numbers.

All of our daily trash was put in a dumpster and picked up by Richard Philbrick of Rye, N. H. I do not know where he disposed of the trash he picked up.

Sincerely,

Michael A. Sheffield
President
